Forecast For Northwest England
Issued by Met Office Exeter
at 1600 on Thursday 20 May 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Wet and windy tonight and into tomorrow.

This Evening and Tonight:
Unsettled conditions continuing throughout the evening and overnight with rain, heavy at times and persistent. Staying windy, particularly in the south. Milder than recent nights. Minimum temperature 8 deg C (46 deg F).

Friday:
Further spells of rain on Friday, heavy at times, with strong winds continuing. Conditions gradually easing through the night. Maximum temperature 13 deg C (55 deg F).

Outlook for Saturday to Monday:
Calmer on Saturday, with scattered showers and sunny spells. Turning unsettled again on Sunday as a band of heavy rain arrives along with strong winds. Monday will see frequent showers.
